

## Detached Finca, Long Term Rental

Available for long term rental from mid February 2021 is this stunning, furnished and equipped finca located close to the dry river bed on the outskirts of the beautiful and traditional village of Lliber.

Casa Carob is an extremely spacious property and has open plan accommodation all on one level to include a magnificent fully fitted kitchen with centre island, a lovely dining room, a large lounge, a double bedroom, twin bedroom, family bathroom with walk in shower and a magnificent master suite with en suite bathroom again with walk in shower. All bedrooms have over head fans and built in wardrobes.

The property also benefits from a lovely 'L' shaped covered terrace that is accessed via the dining room and kitchen, this is the perfect place to relax and enjoy the long summer evenings on the outside lounge furniture.

The grounds to the property have a section that is completely enclosed, this part overlooks the wonderful 12 x 4 pool that is completely private. There is also an outside bathroom at pool level. The Mediterranean style gardens feature an array of plants, trees and shrubs, the focal point being the magnificent carob tree and the lovely secret garden with woodland walk.

The property features a private driveway, mosquito nets, window blinds, underfloor heating, partial air conditioning and would make the most perfect family home.

This property is available exclusively through Jalon Valley Real Estate and viewings are highly recommended in order that the style, quality and location of this wonderful Spanish property can be completely appreciated.
